

Formatic - DD12,000

The Formatic range of machines from Deighton Manufacturing (UK) Ltd are the perfect solution to your food forming and portioning requirements.

Able to form a wide range of products including meat, fish, potato, vegetable & ethnic, butter & cheese as well as bakery and confectionary, into a variety of shapes and sizes, the **Formatic** is the industry standard for small to high volume food producers.

The DD12,000 is the top of the range model and can produce forms up to 135mm diameter at a rate of 12,000 drops per hour.
